

DESCRIPTION

The "Europäische Jugendbildungsstätte Magdeburg" is a youth-educational center and multigenerational house. Our offers target young people, as well as the local community. As part of the volunteering year, the volunteers will work in all areas of the European Youth Educational Center and the Multigenerational House. The tasks of the volunteers are very diverse and can be adapted to the volunteers in accordance with their personal interests, experiences, and language level. Two new volunteers are needed. The service is funded by the European Solidarity Corps.

PROJECT ACTIVITIES

- cooperation in the preparation, implementation and follow-up of international youth projects,
- participation in the preparation, implementation and follow-up of youth education projects for young people from Germany,
- planning and implementation of events in the multi-generational house,
- visiting events as a representative of the European Youth Educational Center,
- designing flyers, posters etc.,
- mentoring short-term volunteers of the youth educational center
- general office activities, handiwork activities
- further tasks depending on the previous experience/ personal focus of the volunteers

VOLUNTEER PROFILE

- motivated to work in an international environment
- team player, initiative, creative, open-minded, ready for new challenges
- knowledge of German language would be an asset

CONDITIONS

Start of the project: Depending on how the situation evolves, it is also possible to start your voluntary service from your home country and come to Magdeburg as soon as possible.

Accommodation: You will stay in a flat-sharing community with 2-3 other ESK volunteers. You will have your own bedroom with a shared kitchen and bathroom. Free Wi-Fi is also included.

Food and pocket money: In the beginning of the month, you will receive the money to cover your food expenses (the rate is decided by the national agency) and pocket money for your own expenses. Currently, it is 8,60€/day for food and 5€/day for pocket money. During workshops, trainings, seminars the volunteer will be provided with complete catering (3 times per day). For those days the volunteer will receive no food money.

Local Transport: You will receive money to cover the monthly ticket for tram and buses in Magdeburg.

Travel costs: You will receive a money for travel costs after providing all the necessary invoices. The maximum amount is calculated based on the distance from your country to Magdeburg. Visa costs can also be reimbursed after providing corresponding invoices.

Health insurance: A European health ensure will be provided by Cigna in combination with your European health card (if you have one).

Language support: Prior to your ESK, you will have access to Erasmus`s Online Linguistic Support (OLS). During the project, you will have an opportunity to participate in an intensive German course.

Work: The volunteer works normally 30-38 hours per week, the exact working hours and the daily core time will be decided by the mentor and the volunteer. Depending on the area and nature of work, the working hours of the volunteer can be also flexible. In case of overtime the volunteer will be compensated by additional days off corresponding to the hours worked.

Holidays: The volunteer has 24 days per year (2 days per month) vacations. The days of the vacations should be agreed with the mentor of the volunteer, who is responsible for his/her hosting project. In case of participation in Eurocamp 2020 and in before and after trainings for Eurocamp 2020, the volunteer is allowed to have additional vacation days. The number of days should be agreed with the project manager of Eurocamp.

Training during the project: During your ESK, you will have two obligatory seminars: On-Arrival Training and Mid-Term Seminar. Once a month you will have a meeting with all volunteers of Magdeburg to discuss the current situation, organize activities together or visit the other projects. There also will be opportunities to participate in some other seminars and workshops. Important is that they should not overlap with you main tasks and activities.

Other recommendations: You should bring your regular clothes and personal hygiene products.

PROJECT ENVIRONMENT

Magdeburg is the capital city and second largest city (240 000 inhabitants) of the federal state of Saxony-Anhalt.

In Magdeburg you can find a lot of green spaces like parks, the river "Elbe" cross the city, a couple of churches and historical places, a lot of international students and communities, pubs, restaurants and cultural activities.

The "Europäische Jugendbildungsstätte Magdeburg" is located in Ottersleben in the very South of Magdeburg. It has a tram station nearby.

Application: Please send an e-Mail including short motivation, your personal experiences, expectations and CV to efd@agsa.de
